

## **Connect, Seek, Yarn – keeping safe in the community as you age**

Navigating your way through the aged care system is one of the challenges faced by many older Australians including people living in Kununurra.

Now, Advocare is inviting Kununurra residents and their families and carers to a special information session in Kununurra on **Tuesday 21<sup>st</sup> July 2020** with a free morning tea.

The session will help older people and their families find answers to some of the common questions posed by the aged care system as well as providing information and support on other age-related issues such as elder abuse.

Advocare is an independent, community-based, not-for-profit organisation that supports and protects the rights of older people in Western Australia through advocacy, information and education.

Advocare's Chief Executive, Diedre Timms, said an aged care navigator and an older person's advocate would provide information on a range of topics at the session.

"Advocare is part of an exciting national trial, funded by the Australian Government Department of Health, to assist people to access and understand the aged care system, Ms Timms said.

"Working your way through the complexities of the aged care system can be a daunting experience and the navigators can help guide people through the maze of choices they may have to make," Ms Timms said. "These include how to access aged care, how Advocare can help, future planning and common problems and solutions."

"We'll also be providing information on the risks of elder abuse and if you are experiencing elder abuse what you can do about it."

The community information session will be held at **Mirima Dawang Woorlab-Gerring Language and Cultural Centre, Button Drive (off Speargrass Road) Kununurra at 10am on Tuesday 21<sup>st</sup> July 2020.**

Everyone is welcome including older people, family members and carers. Community service providers are also welcome. Resources for attendees to take home with them will be available on topics including empowering people, how to care for your assets, answers to common aged care queries, direct care plans and restorative care.

For queries about the information session, contact Advocare on 1800 655 566 or email [rights@advocare.org.au](mailto:rights@advocare.org.au)
